EIGHTEENTH YEAR

WAILUKU, MAUI CO., HAWAII. FRIDAY, AUGUST 10, 1917.

NUMBER 909

CONFESSED HE VOTED UNDER AGE

Youth Could Not Register For Draft But Had Twice Voted—Few Slackers On Maui—Maui Board Completes Work First After Hard Week—All Police Force Helped—Story Of Attempt To Interfere With Registration Being Investigated

The Maui registration board finished its work at 9:30 o'clock last Sunday night after most strenuous labor for an entire week. At that time the 3677 cards of Maui registrants had been properly arranged alphabetically and renumbered, and a duplicate set made out for the Washington authorities, besides the required summarizations completed. At last reports none of the other counties had finished the work.

In fact, according to wireless reports the registration work has been the result of serious trouble in Hawaii county, culminating in the resignation of the county clerk because the supervisors failed to come to his aid with clerical help and the federal government provided only for volunteer workers.

Conditions might have been a good deal the same on Maui had not the

Home On Visit After Ten Years Absence

Jose Nunes, at one time employed in the law office of Judge J. L. Coke, in Wailuku, returned this week from the Coast where he has been for the past 10 years, and is visiting his parents and friends in Wailuku and vicinity. He expects to leave in a few weeks for the mainland to join the army. During his absence Mr. Nunes has been connected with the army as a civil employee, recently in New York.

They are guests of Mr. and Mrs. W. O. Aiken. It is possible that they will make the trip through the crater and back by the ditch trail before their return home.

Send Magazines To Soldiers In Europe

Post Office Department Tells How Mail For Troops Will Be Handled—One Cent Will Carry Big Magazine

Mail matter for United States soldiers in Europe should be addressed simply to "American Expeditionary Forces," and the postoffice department will do the rest. Also the department has made arrangements by which our boys at the front may be supplied with reading matter at a cost of but one cent per copy for magazines.

By the mail this week Postmaster Costa has received a circular bearing on these matters. It says:

By order of the Postmaster General, letters, post cards and printed matter mailed in the United States for transmission to the U. S. Expeditionary Forces in Europe, will be accepted at ordinary domestic postage rates.

All such matter should bear the complete designation of the division, regiment, company and organization to which the addressee belongs, as well

Fair Association To Father Maui Sports

New Athletic Department Created To Handle Base Ball And Other Sports—Old Athletic Association Retires—Steps Taken To Secure Grounds

Organized baseball on Maui will hereafter be sponsored by the Maui County Fair & Racing Association. This was a decision of the board of directors of the organization at a meeting held on Tuesday afternoon at the Wailuku Town Hall.

The matter was brought before the meeting through a letter from the Maui Athletic Association which suggested that the Fair Association arrange to take over its work in base ball through an appropriate committee. Upon adopting the suggestion R. A. Wadsworth, president of the athletic association, was named by President Frank Baldwin as chairman of the new athletic department, with authority to select his own assistants.

It is understood that the Maui Athletic Association, which has heretofore fathered baseball on Maui, has now disbanded. Former President Wadsworth, as a member of the Fair

Stole Pineapples Will Leave Country

Kuiaha Homesteader Caught Red Handed Pleads Guilty And Gets Suspension Of Sentence—Was Arrested Before On Similar Charge

Following his confession in open court that he had stolen pineapples from the Florence Wood homestead, a Kuiaha, T. W. Ferguson, a homesteader, was given a suspended sentence for 13 months on his agreeing to leave the county by the first of September for a year.

Ferguson was caught in the act of carrying off a bag of pineapples at an early hour last Saturday morning, by W. I. Wells and his son Douglas Wells who had been watching the field. In the Makawao district court, on Tuesday, he entered his plea of guilty and asked for clemency. On his agreeing to leave the country County Attorney Bevins recommended the suspended sentence. Ferguson stated that he would go to the coast.

Arrested some months ago on a similar charge, on complaint of the Haiku ranch, Ferguson was acquitted through insufficient evidence. The pineapple he stole this last time belonged to the Haiku-Co-operative Association, of which W. I. Wells is the manager.

BAND STAND PLANNED FOR BALL PARK

The board of supervisors yesterday granted permission to the Wailuku Band to construct a band stand and rehearsal room on the base ball grounds. The band has been handicapped seriously for the past two years for lack of a place to practice and for that reason has been unable to make much progress. Recently the members have been taking up a subscription with a view to building a suitable rehearsal room and, have collected over \$100 of the \$500 to \$600 needed.

The county owns instruments for a band of 18 pieces, and the band organization of two years ago remains practically intact, but since the Town Hall became unavailable for practice but little progress has been made. The members are anxious to get busy again and hope to soon have sufficient funds in hand to carry out their plans.

Aloha Lodge, No. 3, Knights of Pythias, will hold its regular meeting this evening at 8 o'clock.

Wells Street Soon To Be Put Through

Judge Edings Puts County In Possession Of Land Necessary—Supreme Court Decision Cannot Affect Opening Now

Judge Edings yesterday issued an order of possession in the matter of the condemnation suit of the County vs Mary do Rego, W. T. Robinson, et al., through which the county is put in possession of the land necessary for the extension of Wells street through to High street. It is understood that work will begin on this project at once, which has been pending for several years.

At the last term of circuit court at Lahaina, the case was tried before a jury which awarded the sum of \$386.70 to Robinson. The latter took an appeal, which is at present pending in the supreme court. The findings of the higher court, however, will affect only the amount of the damages awarded, so that the order of the lower court yesterday will be in no wise interfered with.

Mrs. Rodrigues, at the last meeting of the board of supervisors, was given the \$1, the nominal price she asked for the right of way, while at the same time the \$386.70 was appropriated for Robinson.

National Guardsmen Finally Draw Money

Officers Predict Renewed Interest In Military Matters—Prepare To Take Advantage Of New Stimulus—Regular Pay Now Expected

There is general rejoicing in local national guard circles this week due to the fact the obstruction, whatever it was, that has been holding up the pay of the men for the past year has broken, and the companies are being paid off.

Last Saturday "C" Company received its checks for the 12 months ending December 31, amounting in all to \$699.47 for the 54 men including 3 officers. On Tuesday "A" Company got its money, and the other companies expect to get theirs before the end of the week.

Officers of the guard are greatly encouraged by the sight of the cash which has been so long in coming and predict a marked improvement in interest among the men. This has been particularly lacking during the past few months, and has been very discouraging to those who have been working hard to maintain the efficiency of the local units.

Preparations Made For Harvest Home

Bowling Team From Honolulu Is Coming—Local Athletes Have Been Working Hard—Big Ball For Evening

Although the names of the members have not been received, the athletic committee of the Puunene Club has been assured that the Honolulu bowling team will be on hand tomorrow morning to compete in the H. C. & S. Company's Harvest Home sports celebration. The bowling contest will therefore share with the tennis tournament and the swimming events the interest of the big crowd expected to be present.

Some 500 invitations were sent out the first of the week to residents of Maui to attend the entertainment of the day, which will be held on the Puunene Club grounds. The games will be held during the forenoon, beginning at 9 o'clock. A lunch will be served to the guests at noon, and in the evening the annual ball of the Club, at the Club House will be held.

County Money For Olinda Reservoir

Supervisors Vote To Lend Territory \$30,000 To Finish Big Tank—To Be Repaid From Loan Fund—War Makes Floating Loan Uncertain

Because the territory will have no money for continuing the work on the Olinda reservoir, the county supervisors, at their special meeting held last Saturday, passed a resolution under which the county will lend the sum of \$30,000 to the territory for finishing up the work.

The last legislature provided this \$30,000 as a loan fund item, but it is quite certain now that no loan fund money will be available in time to take up the work when the present contract is completed, which will be in about two months. Besides, according to statements lately made by Governor Pinkham, it is by no means certain that the \$1,500,000 loan which Treasurer McCarthy went east to float some weeks ago will go through at all, unless the issue is subscribed locally. Taking care of the Liberty Loan and other similar loans for war purposes soon to be floated, is making available money scarce, according to information received by the Governor.

To Rush Reservoir Work

The \$30,000 which the county has provided is expected to be sufficient to put in the concrete lining of the reservoir, which work will be let as a separate contract. The actual construction of the reservoir is being done under contract let to J. C. Foss, Jr., by the Baldwin National Bank, which was on Foss' bond.

Death Calls Prominent Hawaiian Minister

Rev. Enoch S. Timoteo, for many years a pastor in the Islands under the Hawaiian Board, and for the past several years in charge of the Wainee church, Lahaina, died at the Lahaina hospital last Friday afternoon after an illness of some weeks. He had not been considered seriously ill until a few days before his death. He was 62 years of age, and is survived by a wife.

The funeral, which took place on Saturday, was very largely attended. It was conducted by the Rev. L. B. Kaumehiwa, of Wailuku, assisted by Rev. R. B. Dodge, Rev. Frank Scudder, Rev. W. B. Coale, Rev. S. P. Kaala, and Judge J. W. Kalua.

The deceased was one of the best known and eloquent Hawaiian ministers in the territory. Before coming to Lahaina he had been pastor of churches in Kona, Honolulu, and other points. His taking away will be learned of with regret by all who knew him.

BURNS BROS. WINNERS OF COLLINS CUPS

The wind-up of the Collins' cup handicap tournament which has been in progress for the past several weeks on the Puunene Club courts, attracted considerable attention this week of tennis enthusiasts of Maui generally. The finals were won by the Caleb and Frank Burns, a family combination which has been rapidly forging to the fore for some time.

The semi-finals began on Monday of this week when Sawyer and A. MacLaren went down before Lindsay and Rosencrans. Score 6-4, 8-10, 6-3. On Wednesday F. Burns and C. Burns defeated Lougher and Wadsworth with a score of 6-4, 5-7, 7-5.

The finals were played off yesterday afternoon in the presence of a good crowd. Both teams played in fine form and made a great fight from start to finish. The Burns brothers, however proved their superiority with a score of 6-3, 2-6, 8-6, 6-3. They are counted upon to do the heavy defense work in the contest with the Oahu players tomorrow.
